Continental - 0315888

Verordnung (EU) 2020/740

The image shows a standard EU tire label. At the top left is the European Union flag. To its right is the word "ENERG" in blue, followed by a lightning bolt icon and a QR code. Below the flag and QR code, the brand name "Continental" and the product code "0315888" are printed. The tire size "235/50 R 19 99 H" and the category "C1" are also displayed. The label features two energy efficiency scales. The left scale, for rolling resistance, has five colored arrows (A: green, B: light green, C: yellow, D: orange, E: red) and a black arrow pointing left labeled "A". The right scale, for wet grip, has five blue arrows (A: dark blue, B: medium blue, C: light blue, D: very light blue, E: white) and a black arrow pointing right labeled "B". At the bottom, a tire icon is shown with a speaker icon and the text "71 dB" and "ABC". The regulation number "2020/740" is printed vertically on the right side.

Continental - 0315886

Verordnung (EU) 2020/740

The image shows a standard EU energy label for a tire. At the top left is the European Union flag, followed by the word "ENERGY" in large blue letters with a lightning bolt symbol. To the right is a QR code. Below this, the brand "Continental" and the model number "0315886" are listed. The tire size "255/45 R 19 100 H" and the speed class "C1" are also present. The label is divided into two main sections. The left section shows a tire icon with a fuel pump icon, indicating fuel consumption. It features a vertical scale of five colored arrows labeled A (green), B (light green), C (yellow), D (orange), and E (red). A black arrow points to the 'A' grade. The right section shows a tire icon with a cloud and rain, indicating wet grip. It features a vertical scale of five blue arrows labeled A, B, C, D, and E. A black arrow points to the 'A' grade. Below these sections, a speaker icon indicates noise level, with "72 dB" and "ABC" written next to it. The regulation number "2020/740" is printed vertically on the right side of the label.
